The Rules

A member of CVNNH 100 Club pays £50 per allocated number which is entered into all draws, irrespective of previous winnings.

Entry is payable as soon as possible, but no later than 1 November 2020 and can be paid either by bank transfer, standing order or cheque.

Members are eligible to purchase multiple numbers each at a cost of £50.

We will accept syndicate applications for single or multiple numbers - eg a family (max 5 people)

There will be a pro rata reduction in the prize money if the subscription amount is not achieved but owing to the generosity of the supporters, we hope this does not happen!

If we achieve over 55 members we will introduce a third prize of £25 at each draw, and with every 10 extra members there will be a pro rata increase in the prize money.

The draws will take place at our setting off points on the indicated dates and posted on the organiser's car. If the winners are not present for the draw, they will be notified by the organisers and all winnings paid by cheque.

If a supporter has a preferred lucky number, please let the organisers know, otherwise numbers will be allocated on an ad hoc basis and supporters advised by return.
